WHERE IN THE WORLD? CHALLENGE!

Greetings, lucky finder of this book!

This is a very special book. Rather than letting it gather dust on my shelves, I've set it free. It's travelling around the world, having adventures. Please enjoy reading it - and then log onto the BookCrossing website (anonymously, if you wish!) to let me know how you found it and what you thought. Then pass it on to someone else to enjoy! Together we can see out how far it'll travel.

Visit **www.bookcrossing.com** and write a brief journal entry with my BCID number (below).
