

Travelling Book!

HORROR

"If you love your books,
let them go!"
The New York Times

This is a special book - it's travelling around the world! I hope that you enjoy reading it. Please help it along its journey and let me know about its adventures by writing a journal entry.

Visit www.bookcrossing.com and write a journal entry with the BCID number (below).

BCID
Released by:

You may remain anonymous if you wish...

Why let a book gather dust when you can set it free and track its progress around the world?!
